

Caernarfon Riding club

Winter Newsletter 2019

First of all, I hope everyone had a good Christmas and New Year. I know we certainly had a busy one here!!

I'd like to start by thanking Anita Long for all the years of hard work she put into the riding club and to let you all know she has agreed to carry on with the TREC training and competitions, which I know many of you will be pleased about. I'd also like to welcome the new committee who I know have some good ideas for the year to come!

We had our annual club camp at Somerford Park in late October. A lot of fun was had by all! We had dry weather but it was bitterly cold and there was even some snow! Somerford is always a highlight in the club year, with members enjoying the top-class facilities and entertainment. We'd like to thank Marjory Wroe for organising the camp this year and for many years in the past. Also thank you to the members who cooked food and kept everybody fed for the weekend.

Somerford Park Camp 2019

We need some willing volunteers to help organise camp 2019 as Marjory has decided to take a well-earned break. She will be on hand to pass on her years of experience with the planning and co-ordinating the weekend. If you would be willing to help this year, please get in contact with Sophie Bullman.

Vaccinations Reminder

Members are reminded that they must ensure that 'flu vaccinations are up to date if they wish to enter team events. The rule book states that: Each horse must have a valid vaccination certificate, which undeniably relates to that horse, completed, signed and stamped on each line by a veterinary surgeon, who is not the owner of the animal. The certificate must state that each horse has received two injections for primary vaccination against equine influenza given no less than 21 days and no more than 92 days apart. Only the first two injections need to have been given before the horse can compete. In addition, a first booster injection must be given no less than 150 days and no more than 215 days after the second injection of the primary vaccination.

Payments.

We've decided that all payments to the club will now be taken via BACS or cheque made out to the riding club only. We will no longer accept cash payments.
